Nissan Forklift

Nissan Forklift Training Regina - Nissan takes great pleasure in achieving overall client satisfaction, when their client is experiencing one of their numerous products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to delivering high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with strong production principals, Nissan Forklifts supply some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to providing customer support, the company has four distinct manufacturing facilities that allow them to constantly adapt to their customers continually evolving requirements by offering a range of progressive ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are devoted to the design, fabrication, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and processes that limit their environmental footprint. These high values remind clients that Nissan operates under the quality seal that their clients command whilst being an environmentally responsive organization.

Nissan is quite confident that any of their clients inquiries and customer concerns directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
